

Grain Cart Hydraulic Swivel Replacement

When installing the high pressure swivel coupler P# 71741, first connect the hose to swivel coupler; then screw swivel coupler into the clutch assembly.

WARNING

Do not screw the swivel coupler into clutch assembly first, because damage may result when putting hydraulic hose on. Do not put swivel coupler in a vice to tighten hydraulic hose. Tighten with swivel coupler in hand.

**This swivel coupler is FRAGILE.
DO NOT DROP OR HANDLE ROUGHLY!**
