

# NEW! SEMI TANKER

# BALZER

## *Maximum Efficiency*

- Safest, most efficient way to haul manure
- Works with boom tanks, slurry tanks, direct injection systems and more
- Reduces road time with tractors and tanks
- Eliminates need for multiple tractors, tanks and operators

# BALZER

*Good Stewards*

## *of the Land & Roadways*

The all new semi tanker from Balzer works in conjunction with the ELIMINATOR boom tank, vacuum or slurry tanks and frac tanks for direct injection for a complete, system approach to manure hauling. Let the semi tanker do all the road work of manure hauling for the safest, most efficient method on the market. This is a must-have for any manure hauling operation today.

Balzer is committed to helping farmers be good stewards of the land and the roadways. Visit [www.balzerinc.com](http://www.balzerinc.com) to learn more about the full line of Balzer manure handling equipment.
